PRESIDENT'S CORNER

Please see the attached MATCH FLYER, and above all, PLEASE COME OUT TO VOLUNTEER. This is Jewel's and Jen's first time running it, and they are doing an admirable job. PLEASE COME OUT TO SUPPORT THEM BY VOLUNTEERING AND ENTERING.

Remember food will be available for purchase.

FAST CAT. Tammy will be asking for volunteers for our next Fast CAT in April. PLEASE PRINT OUT THE FLYERS AND TAKE THEM TO VETS OFFICES, FEED STORES, OR WHEREVER THEY WILL PUT THEM UP.

Don't forget CAMP PAWS AND PALS. Please LET EVERYONE WITH CHILDREN KNOW, and please MARK YOUR CALENDAR as we will need different breeds and help with that. Most of all, PLEASE GET THE POSTERS OUT.

I have asked Gail to publish the letter about the disaster course. When that came out, I sent a note to Lindsay Deaton, our sheriff's right-hand person. I asked about us having one on Brevard as the sheriff had said he would hold one here.

I also called and emailed the state to try to accomplish that end. Have not heard back from anyone but this all came about this week.

Most of all I want to THANK THE MEMBERS WHO WORK. The Board and I thank all of our workers, but WE NEED MORE PEOPLE TO HELP. We have a large membership but only a handful of workers.

See you all next Sunday at the Match.

Edna

AWARENESS LEVEL SMALL ANIMAL EMERGENCY SHELTERING CLASS ON WEDNESDAY, APRIL 10, 2019 IN TAMPA, FL

Florida State Animal Response Coalition and Aparicio-Levy Technical College would like to offer you an opportunity to take the Awareness Level Small Animal Emergency Sheltering class.

When disaster strikes, our team of trained volunteer responders will be there to shelter and protect Florida's companion animals.

This Awareness Level (Level 1) class will give you the knowledge and skills you need to work in an emergency animal shelter or pet friendly shelter. The Awareness Level Small Animal Emergency Sheltering class is certified by the Florida Department of Emergency Management and is required to respond in Florida to help companion animals during a disaster.

There is a \$15 administration fee for each participant. After successful completion of this class you will receive a complimentary Florida SARC uniform t-shirt. Choose your shirt size on the registration page. You may also order additional shirts for \$15 each on the registration page.

GENERAL MEMBERSHIP MEETING

February 6, 2019

Meeting called to order by President Edna Corney.

Treasurers Report – on file with Treasurer.

Minutes – unavailable due to technical difficulty.

Match – All judges have been hired. To include drafting, Juniors, 4-6-month puppy, tricks and costume. Would like to have a dog from each category. CSTA may provide the food, waiting for a response from them. Donna already has ribbons and trophies no need to purchase others. *Carolyn Pincheck made a Motion to spend up to \$100 for refreshments for children at Match.* Edna seconded, none opposed or abstain, motion passed. Request for volunteers to set up and work day of the Match. There was a question about including veterans. Laura was put in charge of Stewards.

Legislation – Board had emergency meeting in reference to pending legislation. Three members will be making appointments with the Councilmen and Sheriff prior to next meeting on March 12th. Attempt to get information to them regarding positive effect dog events have on local areas. Also impact of imported dogs on the health of U.S. bred dogs.

Handling Class which is normally not held on Westminster night will be held due to show at Lakeland. Linda and Jewel will teach handling class.

Public Relations – nothing to report.

Nominating Committee – all sitting members of board have agreed to remain. At March meeting nominations from floor for anyone who would like to run for a position will be taken. Nominated person must be present at the meeting. Election will be in April.

Fast CAT Report – Attendance was down from previous events. Maureen thanked everyone who worked the event on what a great job they did. Maureen suggested we might want to look at High School students or other avenues to get assistance

with set up and tear down for our events. Club can donate in exchange for assistance. Service clubs also may be a source of assistance.

Property Lease – Rip Dyal –The attorneys are still talking with each other. Rip shared that he was told by one of the attorneys that the passing of Amendment 13 has a 45% chance of affecting us negatively.

Other Business

- Mats in storage, still there have not had time to photograph and post for sale.
- Barks and Tails if you are not receiving it let Kristin or Edna know so we can send your e-mail to Gail.
- Guests were announced.
- Application was read for Kim Davis.
- Maureen reported on scouting for alternate venues for our cluster's dog shows. If a venue is located will ask Space Coast and Central Florida to review. Space Coast Park in Viera across from baseball stadium has 30 acres. They would love to have us. They do have some power however we would have to bring in power. Possible to move show to April. To remain in Ocala with costs we lost 3k on the November show. We do want to move as a cluster. Space Coast requested to have two of their members help look for new venue. Heritage Park in Osceola is one possibility. The arenas are large enough to accommodate a show. Please check with Maureen if you have any suggestions.
- Do not have any new information on mirrors as Brenda was not available.
- Fast CAT scheduled for April 27th and 28th dates at same location. Concerns about temperatures but there is shade and we should be able to have runs and keep the dogs cool. If weather is excessive, we will cancel.

Meeting is adjourned 8:22 p.m.
